

Student Profile

Dear Parents,

Your input into your child's education is very important to me as an educator. Our partnership will create an environment where our students will flourish. The following is a list of questions that will help me better get to know your child. The list of questions is OPTIONAL; you are not required to answer any of them, but they will greatly help me meet the unique needs of your child. Please return the student profile on *Meet Your Teacher Day* or on the first day of school.

Thank you!
